

Welcome Back

Do Now · Expectations · SLANT

Name: _____ Class: _____

DO NOW · 5 MINUTES

1. What does the L in SLANT stand for?

2. Give one way we show respect for the classroom environment.

3. Where should new pages go in your green Computing folder?

4. What should you do if a school website is blocked but you think it should be available?

COMPUTING EXPECTATIONS

1 · Respect for others

SLANT when the teacher is speaking. Listen when others contribute. Support the learning of others.

2 · Respect for the classroom

Leave desks as you found them. Keep food and drink away from desks. Follow the Acceptable Use Agreement.

3 · Respect for learning

Be ready to answer questions and complete tasks. Computing work should usually be presented clearly and carefully. Work hard even when it is difficult.

SLANT

Sit up

Listen carefully

Ask and answer

Never interrupt

Track the speaker

Organisation

Folder · presentation · safe use

YOUR FOLDER

- ☐ 1. Complete the front page with your name, class and previous test scores.
- ☐ 2. Review the Acceptable Use Agreement.
- ☐ 3. Add your school email, username and printer code to your planner.

PRESENTATION OF WORK

Green folder

- Complete the cover page at the front.
- Keep pages in chronological order - new work at the back.

Do Nows & assessments

- Write in black or blue ink; mark in coloured pen.
- Use your best handwriting; cross out mistakes with one line.
- Keep pages neat and write in full sentences.

Paper / Class Notebook

- Paper: title and date; underline headings; label diagrams.
- Notebook: date each row; black font; purple marking; organise headings/lists; crop screenshots neatly.

FILTERING & MONITORING

Filtering

The school may block websites it thinks are inappropriate. If you think a site should or should not be blocked, tell a teacher.

Monitoring

Staff can see activity on school systems, including screens, internet history, files and emails. School systems should be used for schoolwork.

Password reminder: the lesson states that passwords must have 10 characters and should not need changing all year.

Digital Setup

Account details · OneDrive · email · homework

WORK THROUGH THESE IN ORDER

- 1 **Log in.**
- 2 Find 'My Account Information'. Record your username, school email and printer code in your planner.
- 3 Create Year 8 → Computing in OneDrive.
- 4 Tidy your school email: delete what you do not need, unsubscribe where appropriate, and move useful emails into folders.
- 5 Check homework on Arbor and Wayground.
- 6 Complete the '8.0 Welcome Back' Wayground quiz. Class code: D331678.
- 7 **Add a screenshot of your work to Class Notebook.**

EMAIL CHECK

An old email you no longer need → _____

A website you should not have joined keeps emailing → _____

An important school email you want to keep → _____

WAYGROUND

D331678

Homework is set twice a half term and appears on Arbor and Wayground.

Check & Reflect

Safe choices · evidence · exit

QUICK CHECK

1. A school website is blocked but should be available.

Circle: Tell a teacher / Try to bypass the block

2. An old email is no longer needed.

Circle: Delete it / Leave it in the inbox

3. A website you should not have joined keeps emailing.

Circle: Keep receiving it / Unsubscribe

4. An email is useful and you want to keep it.

Circle: Delete it / Put it in a folder

EVIDENCE

Add a screenshot of your work to your Class Notebook.

What does your screenshot show? _____
