OBJECTIVES

Microsoft Teams

Describe the purpose of Microsoft Teams.

Assignments

Complete an assignment on Teams and hand it in.

I DO

Key Teams vocabulary

Team

A communication and learning platform used for classes, assignments and collaboration.

Assignment

A task set by your teacher.

Hand In

The button used to give completed work to your teacher.

Shared

A place where files are stored.

Task 1 - Future Technologies

Choose one technology from the lesson video.

YOU DO · TASK 1

Lesson video: 10 AMAZING Tech Inventions 2023 | You Should SEE

youtube.com/watch?v=5SCbufEFgG0

Watch the video on the web lesson or in class. Choose one example technology that you like.

What was the technology?

Who was it aimed at?

Where could it be used?

How did it work?

Why did you like it?

Tip: Use clear sentences. Give enough detail so another pupil could understand the technology without seeing your notes.

Task 2 - My Future Technology

Design a new technology that you think could be useful.

YOU DO · TASK 2

Name of my technology

What does it do?

Who is it for?

Where could it be used?

How does it work?

Why should it be used?

Think like a designer: explain the problem your technology helps with, who benefits, and how somebody would use it.

Teams submission and exit check

TEAMS

Complete and hand in the assignment

1

Find the assignment your teacher has shown you in Microsoft Teams.

2

Complete Task 1 and Task 2 using the instructions provided.

3

Use **Hand In** when your work is complete.

Other places to know: your teacher will also show you where to find the **Shared** section and your **Class Notebook**. The Class Notebook is created in Microsoft OneNote.
